RONALD MCDONALD HOUSE WELLINGTON

Imagine how you'd feel if you had to be away from home for days, weeks or even months, while your child receives specialist hospital care in another city.

Every week Kiwi families suddenly find themselves in this very situation and when the going gets tough they need a place to turn to for love and support.

Ronald McDonald House provides a much needed home-away-from-home for families who need to travel to Wellington Hospital for specialist medical care. Each year more than 400 families stay with us.

These families have children with a wide range of illnesses and medical conditions – from cancer to premature babies, to children hurt in accidents or requiring surgery.

The concept of family is at the heart of the House and we work hard to create a positive, warm and welcoming atmosphere.

No family pays to stay at the House or to use our Family Room at Wellington Children's Hospital. We believe families are already under significant stress without the additional worry of finding money to pay for accommodation and other essential needs.

PAVEMENT STARS

Here it is! Your big opportunity to become a star in our eyes and help hundreds of families in need.

Our new Ronald McDonald House will play a big role in the lives of future generations of Kiwi kids and their families so we are looking for stars, like you, to make it happen.

We have a limited number of courtyard tiles on the deck of our new house available for sponsorship. You may wish to buy one for someone special in your family, your business or as a unique gift

for someone you care about. You may just like to buy one for yourself.

We will engrave your preferred name on a tile and place it on our courtyard of stars. Tiles cost \$475 for a five year period and all the money raised goes towards building our new House.

To become a 'Pavement Star' and join our courtyard of stars, all you need to do is fill out the form inside this brochure and post it to us. You can also purchase online by visiting our website www.pavementstars.org.nz

OUR NEW HOUSE

For more than 16 years our House has offered a safe haven for families with seriously ill children.

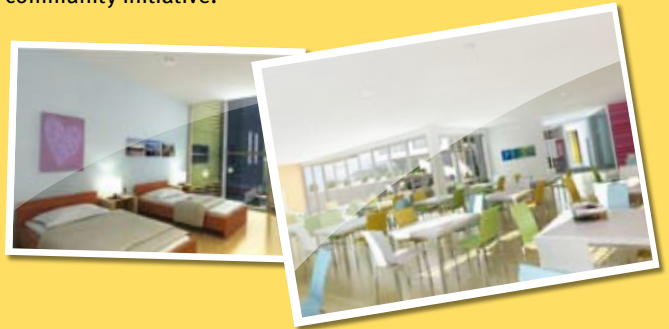

Over the past five years demand for our services has surpassed our limited capacity, leaving us with no choice but to turn many families away.

We urgently need to build a new Ronald McDonald House which will allow 34 families to stay with us at any one time – a much needed increase from the current 12.

We've purchased the land adjacent to our current House, plans are complete and resource consent granted.

Families with sick children need us and we need your help to build our bigger, better Ronald McDonald House to keep families together.

We invite and encourage you to be part of this very special community initiative.

APPLICATION FORM

Enter your contact details

First Name: (Dr/ Mr / Mrs / Miss / Ms)
